

Environmental Impact Statement

for the Basing of MV-22 and H-1 Aircraft in
Support of III MEF Elements in Hawaii

CULTURAL RESOURCES NHPA SECTION 106 AREA OF POTENTIAL EFFECT (APE)

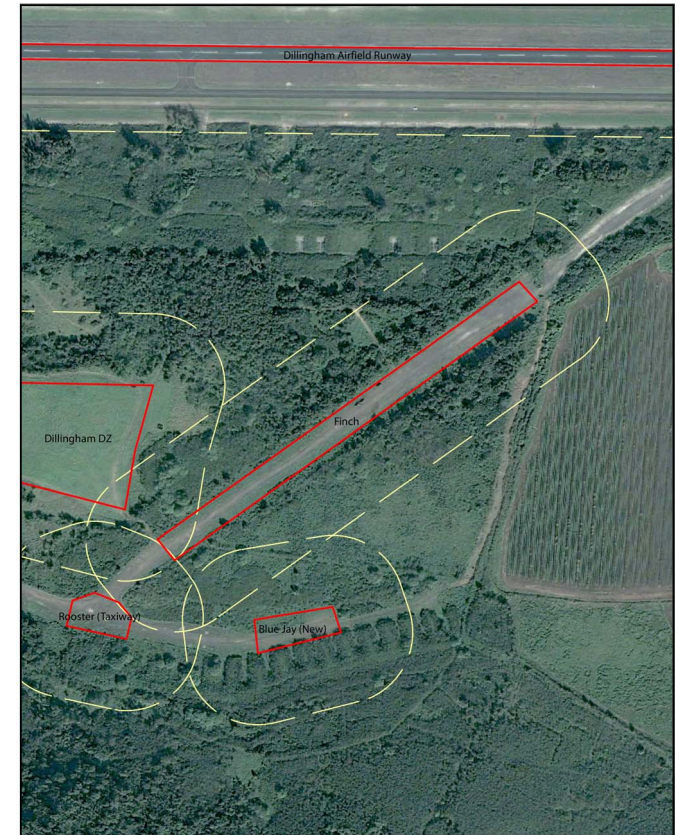

Army Training Areas on Oahu

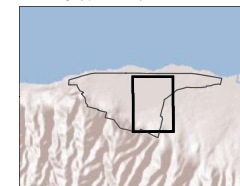

The APE for landing zones (LZ) is defined as the LZ perimeter plus a 350-foot buffer to account for potential impacts from rotor downwash.

Historic properties located in the APE at Dillingham Military Reservation (DMR) include historic and World War (WW) II era military concrete structures. No historic properties are located in the APE at Schofield Barracks East Range, Kawaioloa Training Area, and Kahuku Training Area.

Satellite imagery provided by USMC.
